Explanation of Responses:

- The restricted stock units granted to the reporting person on March 5, 2026, were approved by the Company's Compensation Committee as a one-time special equity award. The award vested immediately upon grant on March 5, 2026, and was settled in shares of the Company's Common Stock on a one-for-one basis on the same date, subject to the reporting person's continued employment through the vesting date.
- Each RSU represents the right to receive, following vesting, one share of Common Stock. Unless earlier forfeited under the terms of the RSU, 33-1/3% of the awards vest and convert into Common Stock on each of January 3, 2027, January 3, 2028, and January 3, 2029.
- The performance stock options granted to the reporting person on March 5, 2026, represent the right to receive, following vesting, a number of stock options up to 225% of the number of stock options. The number of performance stock options acquired upon vesting is contingent upon the achievement of pre-established performance metrics, as approved by the Company's Compensation Committee, over a three-year performance period beginning on the first day of the fiscal year of 2026 and ending the last day of the fiscal year of 2028, subject to continuous employment with the Company through March 15, 2029. Stock options expire 10 years from the date of grant.
